

Schedule of Classes

FALL 2011

REGISTRATION SCHEDULE:

PRE-REGISTRATION for all internet, & compressed video courses can be completed on-line now by linking to www.wvcc.wy.edu **REGISTRATION** for all on-site classes will be held at the WVCC Outreach Office (247 N. Washington) August 17 - August 18 from 10 a.m. - 7 p.m, and August 19 from 10 a.m. - 4 p.m. Registration for some Non-Credit classes will be accepted later in the semester. Tuition must be paid at registration. **MAIL-IN REGISTRATION:** For your convenience, we will accept Mail-In registrations. Simply fill out the form provided and mail it to us, along with check or money order payable to WVCC. You may send in your registration as soon as you receive this booklet. Mail-ins, however, will be opened in the order in which they were received after the first walk-in students are registered. **NOTE:** We will notify you only if the course is cancelled or closed. **PHONE-IN REGISTRATION:** You may use a credit card to phone in registrations. Call 886-3834 after 10 a.m. on August 17. **CREDIT CARDS:** You may use VISA or MasterCard to pay for tuition, textbooks, and some material's fees.

OUTREACH REPORT:

√ **Internet courses.** Once again, we've extended our offerings of Internet courses – both credit and non-credit. These are ideal for those who want to learn new skills, but can't attend a traditional class.

√ **Special services.** We have five Internet accessible computers available for students to check grades, participate in Internet courses and to prepare papers and reports.

√ **SmartThinking** – a free, Online Tutoring program is available for credit students who need help. Contact us for details.

√ **WorkKeys Testing.** This computer-based test provides Career Readiness Certificates which help employers feel confident that their job candidates and current employees have the skills demanded for job success. Again, contact us for information.

√ **Suggestions.** If, as you look through this brochure, you are interested in a course that isn't listed, please give us a call. We always welcome suggestions.

√ **Advisory Council.** The purpose of the council is to expand opportunities for a two-way communication between Western Wyoming Community College and the people residing in the Star Valley communities. Basically, members would assist Outreach staff in determining course offerings that will meet our communities' needs. Meetings are held once per semester. If you're interested in serving on our council, please call 886-3834.

√ **THANKS!** Thanks to those many individuals who support WVCC Outreach either as instructors or students. A special thanks to Lincoln County School District #2 for their generous support of our program. We appreciate the staff of Star Valley Independent and KRSV Radio for advertising. Also, thanks to the school district custodians who prepare rooms for our classes. This cooperation makes community education a success for everyone.

Credit Classes - Registration Information

Getting registered for Western classes is a simple process.

If you are a **part-time** (11 or fewer credit hours) student, come in, call, mail, or use the computer to register. Payment is due at the time of registration.

If you are going to be a **degree seeking or full-time student**, make sure you have:

- Applied and been accepted for admission to the college.
- Taken COMPASS Placement Tests or provided documentation of minimum ACT or SAT score
- Met with your academic advisor. Contact Yvonne Putnam for an appointment.

Other things to note:

Forms may be picked up from and returned to the WWCC Outreach Office in Star Valley or Cokeville.

Students may be placed on a waitlist if a course is full. When a seat becomes available, the student will be sent an e-mail notifying them that a seat has become available. They'll have three days to add the course. NOTE: Being on a waitlist does not complete the registration process.

It is extremely important that you check your class schedule for accuracy. This is available on your Mustang WebAdvisor Account. For specifics, call the Outreach office.

We encourage you to register early so that we can make good decisions about the need to cancel classes because of low enrollment!

Auditing a Course

Any student may sign up for a credit course with a no credit option. You may attend the class and choose whether you do assignments, take tests and complete projects. No grade is issued under this option. **The cost is the same per credit hour rate.** Decisions to take courses for audit must be made within the first seven days of the course.

Placement Tests

Western requires students enrolling in English, math and Government to take the COMPASS placement test. This is a national standardized test designed to help students succeed in College-level coursework. COMPASS scores place you at the correct level in Western courses. If you have designated ACT or SAT individual test scores, you may be exempt from the placement tests. Please contact the office for more information.

The COMPASS placement tests will be given at the WWCC Outreach Office. Please call 886-3834 for dates and times.

Student Services and Financial Aid

Western Wyoming Community College provides a number of services to you here in Star Valley and Cokeville.

You can:

- * register,
- * take classes,
- * meet with an academic advisor,
- * take placement tests,
- * fill out various forms,
- * apply for financial aid,
- * and a number of other things.

You also have access to all services on-campus, so please feel free to contact us whenever you need something.

Remember students are responsible for adhering to all College regulations. The best place to find information on various rules is the College catalog. It's our contract with you. Please stop in and pick one up.

The class schedule also provides important deadline information each semester.

Getting Financial Assistance

Students enrolled in a **minimum of six credits** at Western Wyoming Community College are encouraged to apply for financial aid. Some students enrolled in less than 6 hours may also be eligible for financial aid. There are generally two types of aid available at WWCC: aid based on assessed financial need and aid awarded based on academic excellence or area of major.

Students interested in Federal Aid or WWC Foundation grants must complete the Free Application for Federal Student Aid (FAFSA). Applications can be accessed from the WWCC Financial Aid webpage. Before financial aid awards will be disbursed, students must have applied and been accepted for admission, and be degree seeking at WWCC.

April 1 is the priority deadline for financial aid at WWCC. Applications received by this date will receive priority consideration for available monies. Applications received after that date will be processed as the file is completed.

Financial Aid Awards may consist of a combination of the following:

Federal Aid Programs:

Federal Pell Grant – Federal grant money based on need available to qualifying students attending an approved post-secondary institution.

Federal Supplemental Educational Opportunity Grant (FSEOG) - Federal grants available to students with the lowest expected family contribution.

Academic Competitiveness Grant (ACG) - Federal grants available to PELL eligible students that completed an approved rigorous high school program.

Federal Stafford Loans:

Subsidized Loans – Need-based federally subsidized loans available to college students which are made by the U.S. Department of Education. Current interest rate is fixed at 6.8%, and repayment obligations begin six months after the student completed their education or stops attending on a part-time basis. Entrance and exit counseling is required in order to receive these funds.

Unsubsidized Loans – Non-need based Federal loans available to college students which are made by the U.S. Department of Education. Interest rate is fixed at 6.8%, and repayment obligations begin six months after the student completed their education or stops attending on a part-time basis. Entrance and exit counseling is required in order to receive these funds.

Federal PLUS Loans – Federal loans available to parents whose children attend post-secondary institutions. Interest rate is fixed at 8.5%. Repayment begins immediately after loan disbursement.

Scholarship Opportunities:

Western offers a variety of scholarships to High School Seniors based on academic excellence. They include the Superior Student Scholarship, Honor Scholarship, Performance Scholarship, Opportunity Scholarship (award includes state of Wyoming funds for Hathaway eligible students), and Competition and Special Ability Grants. Divisional Scholarships are available to sophomore students. Scholarships are also available to qualifying transfer, part-time and non-traditional students.

WWC Foundation Aid:

Grants provided through donor participation, ranging in value from \$250-\$2500 per academic year.

Veteran's Benefits:

Information and applications can be obtained from the Veteran's Representative in Financial Aid, at 1-800-226-1181 ext. 1653 or 307-382-1653.

NOTE: Once a student's file is complete, (s)he can view an award letter, as well as accept or decline the aid that has been offered through Mustang WebAdvisor. Call 886-3834 for specific information.

General Information

How do I buy my books?

Textbooks for local classes are **no longer** available through the WWCC Outreach office in Star Valley or Cokeville. You are responsible for purchasing books directly from the WWCC Bookstore. Order on-line at www.wbccbookstore.com

What are the rules about attending class?

Each instructor sets his or her own attendance policy. Instructors may drop students from class for excessive absenteeism. It is in your best interest to attend class regularly. The number one reason students fail classes is lack of attendance and subsequent lack of understanding of expectations and deadlines for assignments. If you must miss class for some reason, let your instructor know. If you are going to miss for an extended period, call the WWCC Outreach Office, 886-3834.

How do I drop or withdraw from classes?

Students must sign an add/drop form or use Mustang WebAdvisor by the established drop deadline in order to drop or withdraw from a course. The signed add/drop form must be submitted to the Outreach Office. Check with the office for drop dates. Complete withdrawals (dropping all courses) cannot be done online. Contact the Outreach Office.

What do I do if I have concerns about a class?

You should contact your Outreach Office and after talking with them, if you still have concerns, contact Student Learning, (307) 382-1617 on campus.

How do I get a transcript from Western?

You may pick up a form from the Outreach Office, call (307-382-1637), fax (307-382-1636), or request online (www.wbcc.wy.edu, Registration & Records). There is no charge for transcripts.

How do I find out what I still need to graduate from Western?

Contact Yvonne Putnam in the Outreach Office. She will do an initial degree check for you and send it to campus. An official check can then be done. You should apply for graduation the semester prior to the semester you plan to complete. This gives you time to make adjustments the last semester if needed.

WWCC encourages you to attend the on-campus Graduation Ceremony (Commencement) held each year in May.

Visit our website at www.wbcc.wy.edu

How do I find out my grades?

You can access your grades (as well as transcripts and other academic information) on Mustang WebAdvisor. Log onto www.wbcc.wy.edu and go to Mustang Cruiser. You will need to have your log in and password to get access to your account. If you need your log in and password contact 886-3834 or 382-1637. Grades are available shortly after finals week.

Grades will not be mailed to students unless special requests are made to Registration & Records at 382-1637.

Services you may want or need to access on campus.

Disclaimer

This schedule of classes is not a contract, and the outreach does not assume liability for errors in scheduling. Please call any errors to our attention.

Notice to Students

Instruction will occur at the first class meeting. Come prepared for an exciting learning experience.

Unattended Children

For safety and liability reasons, WWCC cannot assume responsibility for children left unattended in the buildings. Parents are encouraged to find an alternative place for their children while attending classes.

Note on Class Size

For financial and quality of instruction reasons, classes with fewer than 10 students may be cancelled.

Avoid Disappointment!

Each term we reluctantly have to cancel courses because of low enrollment only to find out the day of the first class that several of you intended to enroll. Please help us by registering before the course start date so you won't be disappointed.

INTERNET COURSES

You can take an online course on your own schedule via the Internet at home, local Outreach site, or anywhere that offers Internet access, such as your local library. Internet courses are NOT self-paced. They will:

- Start on the first day of the course
- Have Regular deadlines
- Require interaction with the instructor and fellow students.

To succeed in an Internet course you will need:

- To be online a minimum of 3 days a week,
- Be able to study at least 9 hours per week for a 3 credit course,
- Have strong time-management skills, computer skills, and self-motivation.

You MUST:

- Have access to the Internet and MS Word 2003 or higher.
- Use the e-mail address provided to you by the college.
- Go to http://www.wvcc.wy.edu/dist_ed.nt.htm. to scroll down and look at the special requirements for your desired course.
- Be comfortable with using a computer and a word processor.
- Be comfortable sending e-mails with and without attachments.

If you are a rookie at any of these skills, please take the “Intro to Online Learning” course (CMAP 0910), an introductory computer course, or

take one of the non-credit online courses to strengthen your skills.

To begin your Internet course on the first day of the semester:

- Go to the college homepage www.wvcc.wy.edu
- Choose Mustang Cruiser
- Login using the username and password provided to you by the college.
- Once logged in, click on the Blackboard tab located near the top of the page. You should see Welcome (your name). If you do not see this and you are seeing a collage of photos, you have a pop-up blocker. Please allow pop-ups from this site and then you will see the Blackboard window.
- Click on the name of each of your courses

Course Section Dates:

- NT courses 8/24/11 - 12/8/11
- ENT courses 8/24/11 - 10/13/11

NOTIFICATION OF STUDENT RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

FERPA (also known as the Buckley Amendment) was originally passed in 1974. It has been amended several times since, but the essence remains unchanged. Primary rights for students under FERPA include:

1. Right to inspect and review educational records within 45 days of the day the request is received. Submit your request in writing to the Registration & Records office.
2. Right to seek to amend educational records. If you think that something in your file is inaccurate, you may make a written request to have that record changed.
3. Right to have some control over the disclosure of information from educational records except to the extent that FERPA authorizes disclosure without consent.
4. Right to file a complaint with the U.S. Department of Education concerning alleged failures by WWCC to comply with the requirements of FERPA.

Directory Information

Western has identified the following information as directory information, meaning we will release it if the student has granted permission on the application for admission or registration information sheet: Major, Dates of Attendance, Class last used within on-line courses, Full-time or Part-time, Degrees/Awards, Participation in officially recognized activities and sports, and height of athletes.

All releases are based in the privacy code attached to the student. Under no circumstances are social security number or other identifying student numbers released. If there are any questions about the law and how we adhere to it, the Vice Present for Student Success Services is WWCC's designated FERPA officer.

See WWCC Catalog for more complete information
